'STRIP BUTTERFLIES ARE FREE' QUILT

Fabric colors should coincide with our Patriotic Theme (red, white, blue).

1. Sew (3) 2 ½" strips together along the long edges using a 1/4"' seam allowance to make a 1 strip set. Cut (4) 6 1/2" squares from each strip set and stack all matching squares together.

2. Sew a marked 2 1/2" square to the upper left and lower right corners of a strip-pieced square. Trim the excess fabric ¼" away from the sewn seam on each corner. Make 2 units like this.

3. Sew a marked 2 1/2" white colored square to the upper right and lower left corners of a strip-pieced square. Trim the excess fabric ¼" away from the sewn seam on each corner. Make 2 units like this.

4. Arrange white colored strip-pieced units as shown on either side of a 1 ½" X 12 ½" rectangle.

5. Sew the pieces together to complete the block.

Make sure the square is trimmed to 12 ½" square block.

.Enjoy your inner fabric freedom.
